# STOCK ROLLER SHADE FABRICS

OUR STOCK ROLLER SHADE FABRIC PROGRAM is designed to offer you design trends in each of three categories - screens, light filtering, and blackout. We believe you will find a color and performance factor to meet your needs within this offering. Fabrics were also selected to work together in a single color palette when you need to pair a screen or light filtering fabric with a blackout. This is helpful when using a double roller shade system or when a single room has a variety of shading requirements.

All fabrics are suitable for any of our roller shade systems.

Fabric images are a close representation, but for best results please email [sales@forestdh.com](mailto:sales@forestdh.com) to order a swatch card.

## SCREENS

With two openness factors, 3% and 5%, our screen collection offers the ideal solution for all needs in terms of heat and/or light management. Screen fabrics are made of high-quality polyester yarns for strength and durability.

Applicant authorizes all financial institutions and business entities of which FDH may from time to time make inquiry to provide FDH such financial information, as FDH deems necessary to make credit decisions. FDH has no obligation to extend credit to Applicant and may in its sole discretion suspend, terminate or reduce the limits of any extensions of credit at any time and withhold shipments of Goods ordered, or require cash in advance, in the event FDH, in its sole discretion, finds Applicant's financial condition to be unsatisfactory.
2. FDH will provide to Applicant an itemized invoice for each sale. If Applicant does not give written notice to FDH within fifteen (15) calendar days from the date of such invoice of any objection to the Goods listed, the receipt thereof, that such purchase was unauthorized or any other objection, all such objections shall be deemed waived. Applicant waives any and all right to set off claims, which it may assert against FDH, and/or to withhold payment to FDH based on a claim that FDH is indebted to Applicant. No claim asserted by Applicant against FDH shall relieve Applicant of its obligation to make timely payments to FDH.

Applicant agrees that all amounts in past due shall bear interest at 1.5% per month pre- and post-judgement until paid and agrees to pay FDH, in addition to the amount due, attorneys' fees of fifteen percent (15%) of the amount due, or the maximum amount allowed by law, whichever is greater, in the event the account is placed in collections with an attorney, or any other means of collection, and also to pay any and all attorneys' fees and costs associated with post-judgement collection preparation and recording fees. Applicant agrees that all payments shall be applied to Applicant's account as designated in writing and if not designated in writing then FDH shall apply said payments to the most outstanding invoices. This Agreement shall be deemed fully executed and performed in Bartow County, Georgia, and will be governed and construed in accordance with the laws of Georgia. Applicant agrees to examine all invoices and statements promptly upon receipt and to notify FDH immediately at any failure of delivery, shortage, discrepancy or error and further agrees that such invoice or statement shall be presumed correct unless Applicant shall notify FDH in writing of such failure of delivery, shortage, discrepancy or error within thirty (30) calendar days of Applicant's receipt of such invoice or statement. Use of materials by Applicant shall constitute a waiver of any error in shipment or defect in materials, which might have been determined by a prompt and diligent inspection thereof.
4. Any waiver or non-enforcement by FDH of a breach, default or term under this Agreement shall not be deemed a waiver of any subsequent breach or default of enforcement of such term and FDH shall only be deemed to have given as much in writing executed by FDH providing for such waiver. If any provision of this Agreement is waived by FDH or is held to be invalid or unenforceable, all other provisions shall nevertheless continue in full force and effect as if such provision were not contained herein.
5. This Agreement contains the entire agreement and understanding between FDH and Applicant with respect to the sale of Goods by FDH to Applicant (other than payment terms and delivery dates to be set forth in FDH invoices), supersedes all prior agreements, commitments, representations and discussions between FDH and Applicant and is not assignable by Applicant without the prior written consent of FDH. No modifications, amendments or additions to this agreement will be binding on FDH unless such modification, amendment or addition is in writing executed by FDH.
