

RM COCO Flat Rate Shipping Program for Rowley® Hardware Products

This new shipping program makes it simple, convenient and predictable to ship your Rowley® hardware products. Small orders that fit into the listed FedEx One Rate® Envelope, Pak or Box will ship 2nd Day Air. Shorter products, pending dimensions and max quantities, will ship ground with a flat rate per box fee. After a certain box quantity, ground shipment orders will adjust to LTL to save on fees. This program applies to all orders shipped within the U.S.A.
