- Release form must be acknowledged or returned before order can be submitted
- Rush orders available upon request; additional fee may apply

The chemical properties of any textile finish have different effects on the various types of fabrics and dyes. RM COCO cannot be held responsible for the color fastness or dye quality of any fabric you order treated. Additionally, we are not responsible for loss of tensile strength, fabric stability, corrosion or rusting of metal in contact with the treated fabric during this process.
